

WHY CIGNA

Advice worth sharing

Like you we think that all New Zealanders deserve access to quality, independent financial advice. Here are some key benefits showcasing why your customers should choose Cigna to help them protect what matters most. Because at Cigna, we believe good advice is worth sharing.

We've been looking out for New Zealanders for over a century

You can have confidence when recommending Cigna to your customers. We have been operating in New Zealand for over 100 years, and now protect more than 450,000 New Zealanders with insurance products, an easy claims process and fast pay outs.

We're part of something bigger

Cigna New Zealand is part of Cigna Corporation, one of the world's largest publicly-owned insurance and financial services companies. With a ranking of 13 on the Fortune 500 list* of the largest US corporations, Cigna comes in ahead of Microsoft and Facebook. So your customer's can trust that we will be here to protect them in their time of need.

We offer a suite of personal and business products

Whether your client is looking to protect themselves, their family or their business we have them covered. Because everyone's circumstances are different we can work with you to develop a solution designed with their unique needs in mind.

We've got an A (Excellent) financial strength

When it comes to choosing an insurance company, you should be able to trust your provider. Cigna New Zealand has an A (Excellent) financial strength rating which was given by A.M Best Company Inc. A copy of the rating scale is available from our offices. This strong financial position means we're better able to protect your clients.

Client benefits

Unique to Cigna, client benefits provide extra support for clients when they need it most. Policy holders can claim up to \$1,000 during a policy year for legal, career and budgeting advice or mental health counselling. It complements their existing cover, is available to dependent children and best of all is available at no additional cost.
